what is orientalism who were the orientalists and how did western scholars of islamic culture come to be vilified as insidious agents of european imperialism in this new history the author answers this question with a detailed story of the motley crew of intellectuals and eccentrics who brought an understanding of the islamic world to the west in a narrative that ranges from an analysis of ancient greek perceptions of the persians to a portrait of the first western european translators of arabic to the contemporary muslim world s perceptions of the western study of islam irwin affirms the value of the orientalists legacy not only for the contemporary scholars who have disowned it but also for anyone committed to fostering the cross cultural understanding which could bridge the real or imagined gulf between islamic and western civilization dust jacket

hannah arendt herbert marcuse alexander solzhenitsyn and edward said each steered major intellectual and political schools of thought shaping american political discourse after world war ii yet none of them was american and this was crucial to their thinking which relied on ways of arguing and reasoning that stand both inside and outside of the american context in an effort to convince their audiences they were american enough these thinkers deployed deft rhetorical strategies that made their cosmopolitanism feel acceptable inspiring radical new approaches to longstanding problems in american politics speaking like natives they also exploited their foreignness to entice listeners to embrace alternative modes of thought intimate strangers unpacks this Ôstranger ethos Ó a blend of detachment and involvement that

manifested in the persona of a prophet for solzhenitsyn an impartial observer for arendt a mentor for marcuse and a victim for said despite its many successes though the stranger ethos did alienate audiences and many critics continue to dismiss these thinkers not for their positions but because of their foreign point of view this book concludes with an appeal to reject this kind of xenophobia throwing support behind a political discourse that accounts for the ideals of both citizens and noncitizens
